It doesn't take much to show the estimated 20,000 families in Tulsa County who are without furniture that Jesus loves them.

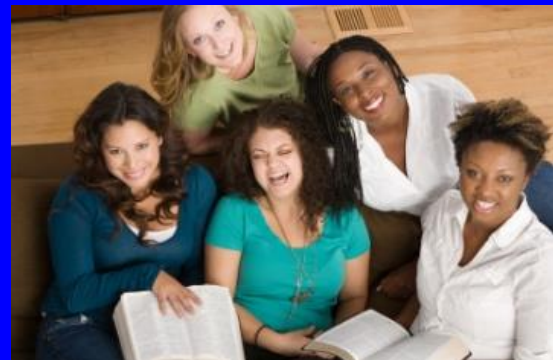

In fact, a nice bed,

a prayer over their family & home,

an invite to join your church, and

follow up visits of food & other thoughtful items speak volumes and can make an eternal difference.

FurnitureToFamilies is a ministry of love that connects the compassion of local churches with families who need basic help in their home.

The furniture ministry was formed in 2001 by Cornerstone Assistance Network and the participants of the Work Opportunity Recovery Centers who want to provide furniture, appliances and scores of household items to your church to help you go into homes declaring Jesus' love to families in need.

There are no fees, no furniture restrictions, no appointments.

Come pick up the furniture you need to help families who are hurting, moms and children who are sleeping on cold, hard floors every night. Everything in the **FurnitureToFamilies** warehouse is free and available to your church anytime Tuesday to Saturday, 9:00 a.m. to 3:00 p.m.

How can your church help?

1. **Sign up as a partner to pick up furniture to help others. It's free!**
2. Follow up with those you bless with more outpourings of love
3. **Invite the families to be a part of your church family & fellowship.**
4. Run bulletin inserts to let your church know to donate unused household items for ministry.
